

# **KAY-BAGS**

## **FILTER BAGS**

### **KAYSER® PREMIUM QUALITY FOR IMPROVED PERFORMANCE**

KAYSER® FILTERTECH design and manufacture the needlefelt and filter bags according to the specific needs of the customer. Whether pulse jet, reverse air or shaker filter bags, whether round, oval or flat filter bags, we will find the right solution for your application from our portfolio.

With over 100 years of experience, we find solutions in the field of dedusting and meet your requirements such as emission minimisation, compressed air savings and reduced energy consumption.

#### **OUR OFFER**

- All commercially available fibers
- For temperatures up to 280 °C
- Suitable for all baghouse types
- Finishes and treatments
- Laboratory analysis
- Service and installation teams across the group

#### **BENEFITS**

- ✓ Needlefelt fabrication and filterbag manufacturing.
